After being consultant in Sweden for 3 years in Media and Sport, for the Swedish Davis Cup team's Captain, Philippe is now CEO of a french company called Editions HF dedicated to the radio B2B business. He created and publishes a Professionnal Radio Directory and Guide since 1997. He is today a journalist for different specialized newspapers in new technologies and created and organizes the only exhibition in Paris for Radio professionals, Le RADIO !, that gathers every year more than 3 000 professionals, 120 speakers and more than 50 exhibitors from all over Europe (<http://www.le-radio.com>). He is now Treasurer and Communication Director of Digital Radio DR France, the french association that promotes the common label DR and multistandard Digital Radio in France and in Europe.
